FEBRUARY HALF TERM

Dear Marnar Families,

As we reach **the end of the first half of the Spring term**, I would like to thank you all for your continued support and partnership. It has been a strong and purposeful start to the term, and it is heartening to feel the sense of momentum across the school. It is also lovely to notice the days getting lighter, with the promise of brighter weather ahead including some welcome sunshine forecast over the weekend. A small but meaningful boost as we head into half term.

Thank you to everyone who joined us in school for **Parent Conference Day**. It was wonderful to see so many families engaging in conversations about learning and progress. We hope the new format, with a new start time of 1:30pm, helped to offer greater flexibility for our working parents while still maintaining the important 'day in school' experience. As always, we are listening, and we recognise that circumstances can change. We will be sharing a short survey shortly to gather your thoughts and preferences to help shape future events.

We also hope you had the opportunity to admire the beautiful **EYFS lantern display**. It was truly stunning and brought so much warmth and joy into the school. Our thanks go to Ms Mashuda for always making this such a special experience for our youngest children.

As we pause for February Half Term, we wish all our families a restful and enjoyable break. For those preparing for Ramadan, which begins on Tuesday 17th February, we wish you Ramadan Kareem.

We look forward to welcoming everyone back to Marnar on **Monday 23rd February at 8:45am**, refreshed and ready for the next half term.

Have a wonderful week ahead.

This is a fantastic achievement, and it would not have been possible without the generous donations and purchases from our parents and carers. A huge thank you to everyone who contributed and supported the events.
