

Marnar Curriculum: Year 3 'Pick and Mix' Homework Grid - Summer Term 1

Get Reading!

Log onto Reading Eggs at home and complete some tasks

Get Exploring!

What are rainforests? Where in the world can you find rainforest?

Look at the world map, in which continents can you find rainforests?

Get Drawing!

You have drawn a portrait of a famous Roman. How about drawing an animal from a rainforest?

Get Performing!

Pretend to be a famous activist and perform a speech about saving our planet.

You can perform on camera and send it to us or perform in front of the class.

Get Visiting!

In Science we will be looking at plants.

Places you could visit:
Local Park
Kew Gardens
Barbican Conservatory
Horniman Museum

Get Mathematical!

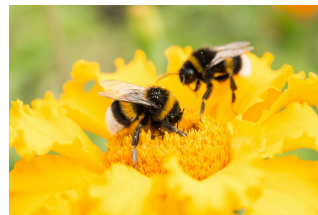

Focus on learning your times tables.

Get Researching!

What is pollination? How does pollination work?

Why is pollination important to humans, animals and plants?

Get Writing!

What is an adventure story? Are adventure stories fiction or nonfiction?

Using this image above, can you write a short adventure story?

Get Talking!

In RE, we will be looking at why people pray? Do you have a special prayer?

What is the meaning of these special prayers?

Get Modelling!

Create a rainforest diorama.
