

# Marner Curriculum: Reception 'Pick and Mix' Homework Grid - Summer Term 1

## Get Reading!

Visit the library and see if you can find books about growing!

## Get Talking!

### Personal, Social and Emotional

Talk about what a healthy/ unhealthy meal would look like.  
Why is it important to eat healthy?  
What are the effects of unhealthy

## Get Investigating!

### Understanding of the world

Our topic is growing. Find out about what a plant needs to grow.

## Get Constructing!

### EAD

Design and create a garden using recycled materials.

What will you have in your garden?

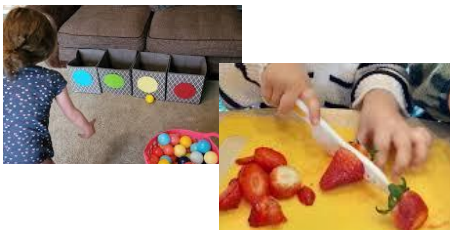

## Get Thinking!

Physical (Gross motor) (Fine motor)

Play games such as toss objects into a bucket.

With adult supervision, cut some fruits up and make a fruit salad.

## Get Reading and writing/ phonics!

Write a list of things a plant needs to grow.  
Make a shopping list of healthy items you will buy.  
Write five facts about a chosen minibeast.

## Get Visiting!

Take a journey to a garden centre.  
What can you see?

Go on a minibeast hunt. What minibeast can you spot? Do an observational drawing.

## Get Mathematical!

In maths we are learning to: count to 20/  
add more/ take away.

Can you count how many steps it takes to go to your bedroom or kitchen?

Add the fruits and vegetables together.  
How many do you have?
