

## Marnier Curriculum: Nursery 'Pick and Mix' Homework Grid - Summer Term

### Get Reading!

Enjoy reading and exploring poems with your child. Look out for rhyming words.

### Get Talking!

Encourage your child to talk about their day and ask about the best and or funniest part of their day

### Get Investigating!

Explore your local park and talk about the colours of the flowers. Talk about the change of season.

### Get Drawing!

Support your child with recognising their own name and help to write the letters of their name.

### Get Constructing!

Use building materials to build and construct towers and buildings. Encourage your child to count and describe their constructions.

### Get independent!

Support your child to get dressed for school including putting on and taking off their clothes by themselves.

### Get visiting!

Visit a local farm. Enjoy looking and talking about all the animals and their babies.

### Get Mathematical!

On your walk to school, look out for 2D shapes and names the shapes that they are familiar with.
