

# Marnar Curriculum: Year 4 'Pick and Mix' Homework Grid - Summer Term 2

## Get Reading!

Find a poem to read. You could try some Michael Rosen's poems.  
Can you practise:

- Reading with fluency
- Performing the poem

Read the poem to your family or a friend. What went well?  
What are your next steps?

## Get Speaking!

Think of something you would like to change at home it could be:

- Watching a film with your family
- Taking it in turns to cook
- Wanting a space for yourself
- Wanting more recycling

Use persuasion to try and get your family members to agree. Remember to explain clearly your view point.

## Get Drawing!

Thinking of our D.T topic you could draw:

- a machine at home
- a toy
- invent a toy

## Get Researching!

Find out what plants and animals live in a habitat. How are they adapted? What do they eat?  
Make a mini zig zag book or poster.

## Get Visiting!

Could you visit a habitat and think about what plants and animals you see. It could be a park, a wood, a wetland area, a river, the Seaside.

## Get mathematical!

Get your parents to help you learn the time in:  
Analogue  
Digital

Can you keep a time diary of your day? Record in analogue and digital.

## Get investigating!

In our topic Migration we will be finding out why people move. Has anyone in your family moved? Where? What were the reasons they moved?

## Get Writing!

Could you write your own poem? It can be about any topic such as:

- Growing up
- A habitat
- Your family

## Get Ready!

What do you need to do to get ready for year 5? Set yourself a goal and work at it. You might want to keep a weekly diary to see how it's going. Remember to start in small steps.

## Get modelling!

Could you make a model of a habitat using recycling objects?
