

Marner Curriculum Nursery 'Pick and Mix' Homework Grid – Autumn 1 / 2026

Get Reading!

Enjoy reading and exploring books together with your child. Look at and talk about the pictures.

Get Talking!

Encourage your child to talk about their day and ask about the best and or funniest part of their day.

Get Investigating!

Explore your local park and talk about the colours of the Autumn. and talk about the change of season.

Get Drawing!

Support your child with recognising their own name, making marks and ask your child to give meanings to the marks they have made.

Get Visiting!

Visit your local library and sign up FREE to become a member of your local idea store.

Get independent!

Support your child to get dressed for school including putting on and taking off their clothes by themselves.

Get Constructing!

Use building materials to build and construct towers and buildings. Encourage your child to count and describe their constructions.

Get Mathematical!

On your walk to school, look out for colours of cars, numbers on buses
