

Marner Curriculum Year 4 'Pick and Mix' Homework Grid – Autumn 1 / 2026

Get Reading! Start your journey to becoming a superstar reader! Read every day and complete some reading activities suggested in your reading record. 	Get Speaking! Find a poem you like and practise performing it. Can you change your voice? Can you use some actions? 	Get Drawing! You have drawn a portrait of yourself. What about drawing a friend or family member? 	Get Tasting! In D.T we will be making and inventing a new bread roll. Try tasting some different breads at home. What were the main ingredients? What do you like about the bread? How could you improve it? 	Get Visiting! In our topic we will be looking at the importance of water. Take a walk by the River Lea, the River Thames or a canal. Tell me what you saw or noticed. 
Get Mathematical! Start learning and practising your times tables. Practice counting forwards and backwards first. Test your skills on TTRS soundcheck. 	Get Investigating! Find out how bread is made or where do different breads come from? 	Get Writing! Write a poem about yourself. It could include: -facts about yourself -your hobbies -a description -it could be silly or serious - it could rhyme or not rhyme 	Get learning about the environment! Do you think you or your family use water sensibly? Could you write a list of ideas on how to save water? 	Get painting or modelling! Could you paint/make an animal that lives in water such as in a river or a sea?
