

Marner Curriculum Year 5 'Pick and Mix' Homework Grid – Autumn 1 / 2026

Get Reading! Visit the library and see if you can find any examples of alternative traditional tales. 	Get Talking! Find a Poem that you like. Learn it and recite it. 	Get Investigating! In Science we will be looking at separating materials. What makes a good filter? Can you design your own to separate different materials? 	Get Drawing! Looking at the local area, do a line drawing thinking about the different shapes in the buildings. 	Get Visiting! Visit local canals in your area and bring along a sketchbook to create a piece of observational drawings 
Get Thinking! Create a family tree for your family. How is everyone different? What special skills do they have? 	Get Constructing! Create a house made up of as many materials as you like and explain the purpose of each material. 	Get Researching! Research about islamic civilisation 	Get Mathematical! Research Roman Numerals. Can you find any in the local environment? Practise using them to write your family's birthdays! 	Get Writing! Create a fact file, poster, all about you!
