

Marner Curriculum Year 3 'Pick and Mix' Homework Grid – Autumn 1 / 2026

Get Reading! Log onto Reading Eggs at home and complete some tasks or go to the Idea Store/library and read some traditional tales ex: Cinderella / 3 Billy Goats gruff / Beauty and the Beast. 	Get Practising! Find a poem you like of Michael Rosen and practise performing it. Can you change your voice? Can you use some actions? 	Get Drawing! You have drawn a portrait of yourself. What about drawing a friend or family member? 	Get Researching! In D.T we will be exploring different types of packages, and creating our own boxes. Try exploring how boxes are made. What boxes/packages impress you most? What was great about it? 	Get Visiting! In our topic we will be looking at our local area. Try and explore some places in our area. Places you could visit: Canary Wharf/ Docklands museum/ Olympic Park 
Get Mathematical! Choose a number and describe it! Is it odd/even? How many digits? What do the digits mean? Partition the number in different ways. 	Get Exploring! Find out how light sources have changed over the years. What different sources of light have people used in the past? 	Get Writing! Write a diary about a day in the life of YOU. It could include: -facts about your day - or you could use your imagination and create a 'fantasy' day. 	Get Designing! Do you think you or your family use electricity sensibly? Could you make a poster of how to use electricity wisely? 	Get Artistic! Could you paint/draw a place that is in your local area. eg. The park/ A special building
