

Class Teachers and Teaching Teams 2025 – 2026

At Marner, we have different support staff who work closely with teachers to help children learn and thrive:

HLTA – Higher Level Teaching Assistant – An HLTA supports teaching and learning in the classroom and can lead lessons under the guidance of a class teacher.

NN – Nursery Nurse – A Nursery Nurse works with our youngest children, helping them learn and develop through play and early education activities.

LSA – Learning Support Assistant – Gives extra help to children with their learning in class or in small groups.
