Year 4, 5 & 6 Parents

10th September 2020

Dear Parents & Carers,

As you know, we have been providing a daily hot meal for all of the children in school. Over the course of this week though, we have noticed two issues with this:

1. That we are running late on a daily basis, which has an impact on getting the children into class for the afternoon sessions.
2. That the children are not able to play outside for as much of their lunch break as they are used to

This means that we will need to make a slight adjustment to our plan. Therefore, from Monday 14th September, there will be one year group per week (rotating across Years 4, 5 & 6) who will have an enhanced packed lunch and this will be eaten in their classroom within their Year Group bubble. **On the other weeks, they will have a hot meal as per usual.**

We know from our observations this week that this will mean lunchtimes will return to their normal length and children will maximise their learning time in the classroom. In addition, we know that the children have been asking us to make a change so that they retain more of their time in the playground.

Therefore, we have worked with our School Cook to ensure that there is an enhanced offer for the packed lunch. I am attaching a copy of the menu for you to look through. The children will be able to choose a different sandwich filling each day to present them with some variety. We are also aware that we need to be mindful of any allergies with the children and will ensure that appropriate choices are offered to the different year groups.
