SECONDARY SCHOOL ADMISSIONS

Dear Y6 Parents and Carers,

Your child will be starting Secondary School in September 2021.

This means you will need to make an online application via **eadmissions portal**, where you will list the Secondary Schools you would like your child to attend.

Before you apply you will need to do the following:

- Go to the Tower Hamlets Secondary School Admissions website – www.towerhamlets.gov.uk selecting the school admissions tab and then selecting Secondary School Admissions.
- On the website you and your child can watch the short information video and look at the Ready for Secondary School in Tower Hamlets Booklet, which contains all the information you need, along with useful tips.
- Visiting dates for secondary schools will also be listed – due to Covid-19 each school will have their own visiting procedures.
- On Friday 11/09 your child brought home an envelope with their Banding Information. You will need this when you apply.
- When you are ready to make your selections, you will need an email address and password for the eadmissions portal for Tower Hamlets. If you have previously logged on to apply for any other children in the family you will need to use that email and password.
- If you have any problems please email: schooladmissions@towerhamlets.gov.uk
- The closing date for applications is the **31st October 2020** – please ensure you submit your information at least a week before that.
- If your child has an EHCP for SEN – Ms Donisthorpe will contact you and support you through this process as there is a different admissions criteria for this.

The school will be in contact with Y6 parents and will be offering a session at school – in the undercover area, which will be socially distanced, to answer any questions you may have.

Your children have all had a session in school to support them with the process – so they will be very good at sharing information with you as well!

Any questions, you may contact myself on this email: yr56@marner.towerhamlets.sch.uk or by calling the front admin and making a telephone booking.

Kind regards

Ms Long
Deputy Headteacher
