Headteacher: Mr Nick Hague

28<sup>th</sup> September 2020

Dear Parents and Carers,

Following on from the closure of the Year 5 Bubble last Thursday, I am writing to you with an update.

The medical advice stipulates that contacts of someone who has tested positive for COVID-19 should **self-isolate at home for 14 days**. I therefore ask that you keep your child at home for this self-isolation period. **The children can return to school on Friday 9<sup>th</sup> October 2020.**

### **Home Learning**

School work will continue to be set for your child whilst they are self-isolating and an initial pack was sent home last Thursday. Further resources can be accessed through the school website - [www.marnersprimary.com/home-learning](http://www.marnersprimary.com/home-learning)

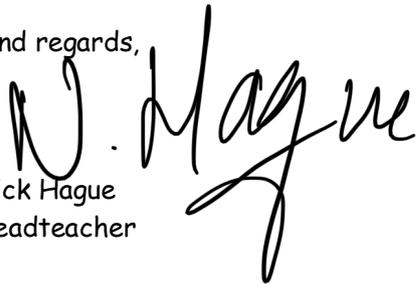

Please read the message on the reverse of this letter from the Year 5 Teaching Team regarding the completion of work during the self-isolation period.

### **Free School Meals**

If you are eligible for free school meals through the statutory benefit route, then you will be hearing from me in the next few days in terms of how we can support your child.

Finally, I will keep you informed if there are any further updates, in the meantime please continue to follow all government guidelines in keeping you and your families safe. Thank you for your support at this difficult and uncertain time.

Kind regards,

  
Nick Hague  
Headteacher

## From the Year 5 Teaching Team about Home Learning:

We regret that once again your child has to access their education remotely. The teachers in Year 5 will do all they can to encourage your child to continue learning.

We will be setting:

- work on Google Classroom, which your child can access at home using their school email address and password (the same one they use for Times Tables Rock Stars). *We are very pleased to see that many students have already logged on to this.*
- additional work on Bug Club and My Maths. The White Rose Maths tasks can be accessed via the website too.

We understand that a proportion of families will have problems accessing online learning and later this week we hope to be able to send out workbooks. We will update you once we know exactly when this will be. However, when you do receive the workbooks, please ensure that the children complete **one page per day from each workbook** for maths, spelling and grammar and the 10 minute fractions and decimals booklet

If you experience any difficulties, or have any queries about learning or your child's wellbeing, please do not hesitate to contact the school via

[yr56@marner.towerhamlets.sch.uk](mailto:yr56@marner.towerhamlets.sch.uk)

Please do not use any other email addresses to contact the teaching staff. For all other queries, please telephone the school on **020 7987 2938** and leave a message if we are unable to take your call.

Wishing you all the best,

Miss Anne, Miss Scott-Kerr, Mr Palmer and the Year 5 team.
