

Internet Safety

Setting up Parental Controls

Bring Your Own Device

- Does your child have an iPad, tablet or phone?
- Does your child use your phone to play games or watch videos?
- Does your child use Playstation, Xbox, Nintendo etc.?
- Do you need some peace of mind?

We know how difficult it can be to know what your children are doing online. To help you we are running a “Bring Your Own Devices Parental Control Workshop”, where we will set up parental controls on your children's and your devices with you.

Tuesday 20th June in the Main Hall

9:00-9:45am

Session repeated

2:45-3:30pm

There will be information about Online Safety, our technician will be there to help with parental controls and you will have the opportunity to ask us questions.

3.30-4.00 Drop-in session

THIS WORKSHOP IS IMPORTANT FOR THE SAFETY OF YOUR CHILDREN. PLEASE COME ALONG.

If you need further information please contact Ahsana or Ms. Whitfield
