

## Marner PE and Sports Premium Spend Plan 2021 - 2022

**Funding Received = £21,172**

- Based on actual spend over the Autumn and Spring Terms and a projected spend over the Summer Term
- At Marner, we are passionate about school sports and PE. We believe that physical exercise and development are central to good health, wellbeing and learning.
- We are a GOLD MARK sports school with an excellent reputation for sporting behaviour, attendance at sporting competitions and a strong history of sporting success.
- Our school is very fortunate to have unique facilities, in the form of a 3D pitch, athletics track with tennis court facilities, a three story indoor climbing wall, Outdoor Forrest School and strong links with outdoor adventure centres such as: Gorsfield, Stubbers and the Forrest School at Cemetery Park.

Area of Spend	Amount Spent/Committed	Outline of Activity	Impact
Swimming	£3,192 x3 = £9,576	Y5 Cohort attend 1 hour of swimming per week, with additional intensive swimming in the summer term, in 1 week blocks.	By the end of primary school all children have had the opportunity to learn to swim, ensuring they are able to keep safe when near or in water.
Indoor Climbing	£810 x 9 weeks = £7,290	All year groups from Y1-Y6 learn to climb on the school's indoor climbing wall.	Children learn to rock climb, abseil and support their peers, under the supervision of qualified instructors. They build resilience and develop a strong Mindset. Groups of children take part in accredited NICAS level 1 certification.

Cycling	£500	Bike maintenance and repairs. Purchase of cycle helpmeets and parts.	Y4 – Y6 children learn to cycle. When ready they will leave the school grounds and cycle safely on the roads, with qualified cycle instructors.
3G Football Pitch Maintenance	£2,800	3G football pitch maintenance programme.	Ensuring the high standard of pitch surface is maintained to enable high quality sport with school time and community use outside of school – three local youth teams use the space in the evenings.
Purchase and Maintenance of sports equipment	£1,000	Purchasing of equipment to enable all areas of PE and school sport to take place to high standard.	High quality PE teaching. High quality after school sports. High quality sports competitions and pathways to club sports. Ensuring barriers to sport are removed through access to equipment.
PE TLR	£4,785	PE Lead in place.	PE Lead ensures the school maintains the excellent standards achieved in school sport and PE at Marner. Gold Award Accreditation achieved each year since 2015.
Forrest School (Outdoor and Adventurous Learning).	1 day per week @ £195 x 39 days = £7,605	Forrest School Lead in place. 1 day per week. Running year group sessions and parent and child sessions.	All children have the opportunity to learn and develop their knowledge and skills of the outdoors. Parents explore alongside their children and learn to value the importance of the outdoors.
<b>Total spend on PE and School Sports</b>	<b><u>= £33,556</u></b>	<b>Funding Received = £21,172</b>
