

## **Sports Premium Report 2018-2019**

Since 2013, the government has released £450 million across the country to support physical education in primary schools.

**A. Sports Premium Income for 2018-2019 = £21,335**

**B. Sports & PE Expenditure for 2019-2019 = £41,769**

**(B minus A = £20,434 from the main school budget)**

Children at Marner take part in a wide range of sporting activities. A typical day at Marner starts with our active Breakfast Club, also includes Lunch Time activities and ends with one of many sporting After School Clubs.

## **Sports Clubs**

Below are some of the sports clubs that take place across the school year:

- **Playball** - Reception and Year 1
- **Multi-Sports** - Year 2
- **Multi-Sports** – Year 3
- **Paragames** – Years 3-6
- **Football** – Years 3-6
- **Table Tennis** – Years 3-6
- **Climbing** – Years 5 and 6
- **Athletics** – Years 5 and 6
- **Boxing** Years 5 and 6

## **Climbing**

We are lucky to have our own full height-climbing wall and funding goes towards extending provision on the climbing wall during curriculum time, after school and at our **Saturday School**. All children, from Year 1 to Year 6, receive Curriculum Time Climbing outside on the Traverse Wall or inside on the Main Wall. Last year, 25 children achieved their Level 1 NICAS Award at Marner.

## **PE Lessons**

All children have two PE lessons a week: one in the Hall and one outside on our sports pitch. As part of their Curriculum PE time, Year 5s travel to Poplar Baths for swimming lessons once a week. In addition, Marner works with experienced sports coaches who work alongside class teachers to deliver specialised coaching in a range of sports including tennis, judo and multi-sports.

## **Events and Competitions**

Since 2018, children at Marner have taken part in more than 60 different sporting competitions and events. Events in school included our 'Engage to Compete' activity challenge days and the Year 6s leading three fun-filled Sports Days. Beyond school, girls in Years 5 and 6 have attended the London Youth Games Girls' event and our pupils attended the Paragames at the Copper Box Arena. In 2019, our Year 4 pupils attended the Sport Inspired Event, also at the Copper Box Arena.

In 2018-19, our children have represented Marner in more than 40 competitions: Netball, Badminton, Golf Roots, Gymnastics, Cross Country and Rugby to name a few of the sports. Our most recent successes include becoming Borough Champions in Mixed Hockey and in Boccia. In the summer, these teams will go forward to represent Marner in The London Youth Games.

As a result of these opportunities, many of our pupils go on to play and compete in local sports clubs, including cricket and running,

## **The future – next steps.**

We work hard to ensure that there is something sporting for everyone at Marner and are always looking for new opportunities that the children can get involved in. In the coming year, there are plans to:

- Use The Daily Mile across the school to encourage all children to enjoy being active.
- Work with a wider range of coaches in PE lessons including gymnastics, cricket and athletics.
- Continue working with local sports clubs, including cricket, to provide pupils with opportunities to play and compete at a club level.
