NOTES:

Applications for children without a school place (or travelling to a school over 2 miles) are not subject to the above schedule. These are processed on a daily basis and schools notified of new admissions, if any, every Tuesday during term time (Wednesday following a bank holiday) Parents will be notified later, by letter which will be sent on the Friday of that week.

An exception will be made to the schedule at the following times:

1. Beginning of the academic year (September) - due to the large number of applications which are received during the summer holiday and the need to collate school vacancy figures, notifications of new admissions will go out from the 2nd week of September and will be sent as and when places are identified (i.e. not necessarily on a Tuesday).
2. Children in Reception or Year 7 will not be subject to the above timetable during the first half of the autumn term. Applications for these year groups will be processed and notifications will be sent to schools and parents as vacancies arise. The schedule set out in the above timetable will apply thereafter.
