The use of digital images and video

We follow the following rules for any external use of digital images:

If the pupil is named, we avoid using their photograph.

If their photograph is used, we avoid naming the pupil.

- Where showcasing examples of pupils work we only use their first names, rather than their full names.

- Only images of pupils in suitable dress are used.
- Any images will only be for school use, if third parties request photographs or videos we will request separate permission from you.

This permission document will cover all of your child's time at Marner School
If you wish to amend your permission in future please inform the school in writing.
