1. Introduction and Overview

Rationale

The purpose of this policy is to:

- Set out the key principles expected of all members of the school community at Marner Primary School with respect to the use of IT-based technologies.
- Safeguard and protect the children and staff.
- Assist school staff working with children to work safely and responsibly with the Internet and other IT and communication technologies and to monitor their own standards and practice.
- Set clear expectations of behaviour and/or codes of practice relevant to responsible use of the Internet for educational, personal or recreational use for the whole school community.
- Have clear structures to deal with online abuse such as online bullying [noting that these need to be cross referenced with other school policies].
- Ensure that all members of the school community are aware that unlawful or unsafe behaviour is unacceptable and that, where appropriate, disciplinary or legal action will be taken.
- Minimise the risk of misplaced or malicious allegations made against adults who work with students.

The main areas of risk for our school community can be summarised as follows:

Content

- Exposure to inappropriate content
- Lifestyle websites promoting harmful behaviours
- Hate content
- Content validation: how to check authenticity and accuracy of online content

Contact

- Grooming (sexual exploitation, radicalisation etc.)
- Online bullying in all forms
- Social or commercial identity theft, including passwords

Conduct

- Aggressive behaviours (bullying)
- Privacy issues, including disclosure of personal information
- Digital footprint and online reputation

- Health and well-being (amount of time spent online, gambling, body image)
- Sexting
- Copyright (little care or consideration for intellectual property and ownership)

Scope

This policy applies to all members of Marner Primary School community (including staff, students/pupils, volunteers, parents/carers, visitors, community users) who have access to and are users of school IT systems, both in and out of Marner Primary School.

Roles and responsibilities

Role	Key Responsibilities
Headteacher	• Must be adequately trained in off-line and online safeguarding, in-line with statutory guidance and relevant Local Safeguarding Children Board (LSCB) guidance • To lead a 'safeguarding' culture, ensuring that online safety is fully integrated with whole school safeguarding. • To take overall responsibility for online safety provision • To take overall responsibility for data management and information security (SIRO) ensuring school's provision follows best practice in information handling • To ensure the school uses appropriate IT systems and services including, filtered Internet Service, e.g. LGfL services • To be responsible for ensuring that all staff receive suitable training to carry out their safeguarding and online safety roles • To be aware of procedures to be followed in the event of a serious online safety incident • Ensure suitable 'risk assessments' undertaken so the curriculum meets needs of pupils, including risk of children being radicalised • To receive regular monitoring reports from the Online Safety Co-ordinator

	• To ensure that there is a system in place to monitor and support staff who carry out internal online safety procedures, e.g. network manager • To ensure Governors are regularly updated on the nature and effectiveness of the school's arrangements for online safety • To ensure school website includes relevant information.
Online Safety Co-ordinator/Designated Child Protection Lead (This may be the same person)	• Take day to day responsibility for online safety issues and a leading role in establishing and reviewing the school's online safety policy/documents • Promote an awareness and commitment to online safety throughout the school community • Ensure that online safety education is embedded within the curriculum • Liaise with school technical staff where appropriate • To communicate regularly with SLT and the designated online safety Governor/committee to discuss current issues, review incident logs and filtering/change control logs • To ensure that all staff are aware of the procedures that need to be followed in the event of an online safety incident • To ensure that online safety incidents are logged as a safeguarding incident • Facilitate training and advice for all staff • Oversee any pupil surveys / pupil feedback on online safety issues • Liaise with the Local Authority and relevant agencies • Is regularly updated in online safety issues and legislation, and be aware of the potential for serious child protection concerns.
Governors/Safeguarding governor (including online safety)	• To ensure that the school has in place policies and practices to keep the children and staff safe online • To approve the Online Safety Policy and review the effectiveness of the policy • To support the school in encouraging parents and the wider community to become engaged in online safety activities • The role of the online safety Governor will include: regular review with the online safety Co-ordinator.

Computing Curriculum Leader	• To oversee the delivery of the online safety element of the Computing curriculum
Network Manager/technician	• To report online safety related issues that come to their attention, to the Online Safety Coordinator • To manage the school's computer systems, ensuring - school password policy is strictly adhered to. - systems are in place for misuse detection and malicious attack (e.g. keeping virus protection up to date) - access controls/encryption exist to protect personal and sensitive information held on school-owned devices - the school's policy on web filtering is applied and updated on a regular basis • That they keep up to date with the school's online safety policy and technical information in order to effectively carry out their online safety role and to inform and update others as relevant • That the use of school technology and online platforms are regularly monitored and that any misuse/attempted misuse is reported to the online safety co-ordinator/Headteacher • To ensure appropriate backup procedures and disaster recovery plans are in place • To keep up-to-date documentation of the school's online security and technical procedures
Data and Information Asset Owners Managers (IAOs)	• To ensure that the data they manage is accurate and up-to-date • Ensure best practice in information management, i.e. have appropriate access controls in place, that data is used, transferred and deleted in-line with data protection requirements. • The school must be registered with Information Commissioner
LGfL Nominated contact(s)	• To ensure all LGfL services are managed on behalf of the school following data handling procedures as relevant
Teachers	• To embed online safety in the curriculum • To supervise and guide pupils carefully when engaged in learning activities involving online technology (including, extra-curricular and extended school activities if relevant)

Communication:

	• To ensure that pupils are fully aware of research skills and are fully aware of legal issues relating to electronic content such as copyright laws
All staff, volunteers and contractors.	• To read, understand, sign and adhere to the school staff Acceptable Use Agreement/Policy, and understand any updates annually. The AUP is signed by new staff on induction. • To report any suspected misuse or problem to the online safety coordinator • To maintain an awareness of current online safety issues and guidance e.g. through CPD • To model safe, responsible and professional behaviours in their own use of technology • At the end of the period of employment/volunteering to return any equipment or devices loaned by the school. This will include leaving PIN numbers, IDs and passwords to allow devices to be reset, or meeting with line manager and technician on the last day to log in and allow a factory reset.
Pupils	• Read, understand, sign and adhere to the Student/Pupil Acceptable Use Policy annually • To understand the importance of reporting abuse, misuse or access to inappropriate materials • To know what action to take if they or someone they know feels worried or vulnerable when using online technology • To understand the importance of adopting safe behaviours and good online safety practice when using digital technologies out of school and realise that the school's online safety policy covers their actions out of school • To contribute to any 'pupil voice' / surveys that gathers information of their online experiences
Parents/carers	• To read, understand and promote the school's Pupil Acceptable Use Agreement with their child/ren • To consult with the school if they have any concerns about their children's use of technology • To support the school in promoting online safety and endorse the Parents' Acceptable Use Agreement which includes the

The policy will be communicated to staff/pupils/community in the following ways:

	pupils' use of the Internet and the school's use of photographic and video images
External groups including Parent groups	• Any external individual/organisation will sign an Acceptable Use agreement prior to using technology or the Internet within school • To support the school in promoting online safety • To model safe, responsible and positive behaviours in their own use of technology.

- Policy to be posted on the school website and shared network.
- Policy to be part of school induction pack for new staff.
- Regular updates and training on online safety for all staff.
- Acceptable use agreements discussed with staff and pupils at the start of each year. Acceptable use agreements to be issued to whole school community, on entry to the school.

Handling Incidents:

- The school will take all reasonable precautions to ensure online safety.
- Staff and pupils are given information about infringements in use and possible sanctions.
- Online Safety Coordinator (Ruth Whitfield) acts as first point of contact for any incident.
- Any suspected online risk or infringement is reported to Online Safety Coordinator that day
- Any concern about staff misuse is always referred directly to the Headteacher, unless the concern is about the Headteacher in which case the complaint is referred to the Chair of Governors and the LADO (Local Authority's Designated Officer).

Review and Monitoring

The online safety policy is referenced within other school policies (e.g. Safeguarding and Child Protection policy, Anti-Bullying policy, PSHE, Computing policy).

- The online safety policy will be reviewed every two years, or when any significant changes occur with regard to the technologies in use within the school
- There is widespread ownership of the policy and it has been agreed by the SLT and approved by Governors. All amendments to the school online safety policy will be disseminated to all members of staff and pupils.

2. Education and Curriculum

Pupil online safety curriculum

This school:

- Has a clear, progressive online safety education programme as part of the Computing curriculum/PSHE curriculum. This covers a range of skills and behaviours appropriate to their age and experience;
- Plans online use carefully to ensure that it is age-appropriate and supports the learning objectives for specific curriculum areas;
- Will remind students about their responsibilities through the pupil Acceptable Use Agreement(s);
- Ensures staff are aware of their responsibility to model safe and responsible behaviour in their own use of technology, e.g. use of passwords, logging-off, use of content, research skills, copyright;
- Ensures that staff and pupils understand issues around plagiarism; how to check copyright and also know that they must respect and acknowledge copyright/intellectual property rights;
- Ensures pupils only use school-approved systems and publish within appropriately secure / age-appropriate environments.

Staff and governor training

This school:

- Makes regular training available to staff on online safety issues and the school's online safety education program;
- Provides, as part of the induction process, all new staff [including those on university/college placement and work experience] with information and guidance on the online safety policy and the school's acceptable use agreements.

Parent awareness and training

This school:

- Runs a rolling programme of online safety advice, guidance and training for parents.

3. Expected conduct and incident management

Expected conduct

In this school, all users:

- Are responsible for using the school it and communication systems in accordance with the relevant acceptable use agreements;
- Understand the significance of misuse or access to inappropriate materials and are aware of the consequences;
- Understand it is essential to reporting abuse, misuse or access to inappropriate materials and know how to do so;
- Understand the importance of adopting good online safety practice when using digital technologies in and out of school;
- Know and understand school policies on the use of mobile and hand held devices including cameras;

Staff, volunteers and contractors

- Know to be vigilant in the supervision of children at all times, as far as is reasonable, and uses common-sense strategies in learning resource areas where older pupils have more flexible access;
- Know to take professional, reasonable precautions when working with pupils, previewing websites before use; using age-appropriate (pupil friendly) search engines where more open internet searching is required with younger pupils;

Parents/Carers

- Should provide consent for pupils to use the Internet, as well as other technologies, as part of the online safety acceptable use agreement form;
- Should know and understand what the school's 'rules of appropriate use for the whole school community' are and what sanctions result from misuse.

Incident Management

In this school:

- There is strict monitoring and application of the online safety policy and a differentiated and appropriate range of sanctions;
- All members of the school are encouraged to be vigilant in reporting issues, in the confidence that issues will be dealt with quickly and sensitively, through the school's escalation processes;
- Support is actively sought from other agencies as needed (i.e. The local authority, LGfL, UK Safer Internet Centre helpline, CEOP, Prevent Officer, Police, IWF) in dealing with online safety issues;
- Monitoring and reporting of online safety incidents takes place and contribute to developments in policy and practice in online safety within the school;
- Parents/carers are specifically informed of online safety incidents involving young people for whom they are responsible;
- The Police will be contacted if one of our staff or pupils receives online communication that we consider is particularly disturbing or breaks the law;
- We will immediately refer any suspected illegal material to the appropriate authorities – Police, Internet Watch Foundation and inform the LA.

4. Managing IT and Communication System

Internet access, security (virus protection) and filtering

This school:

- Informs all users that Internet/email use is monitored;
- Has the educational filtered secure broadband connectivity through the LGfL;
- Uses the LGfL filtering system which blocks sites that fall into categories (e.g. Adult content, race hate, gaming). All changes to the filtering policy are logged and only available to staff with the approved 'web filtering management' status;
- Uses USO user-level filtering where relevant;
- Ensures network health through use of Sophos anti-virus software (from LGfL);
- Uses dfe, LA or LGfL approved systems including dfe S2S, LGfL USO FX2, Egress secure file/email to send 'protect-level' (sensitive personal) data over the Internet

- Uses encrypted devices or secure remote access where staff need to access 'protect-level' (sensitive personal) data off-site;
- Works in partnership with the LGfL to ensure any concerns about the system are communicated so that systems remain robust and protect students.

Network management (user access, backup)

This school

- Uses individual, audited log-ins for all users - the LGfL USO system;
- Uses guest accounts occasionally for external or short term visitors for temporary access to appropriate services;
- Uses teacher 'remote' management control tools for controlling workstations/viewing users/setting-up applications and Internet web sites, where useful;
- Has additional local network monitoring/auditing software installed;
- Ensures the Systems Administrator/network manager is up-to-date with LGfL services and policies/requires the Technical Support Provider to be up-to-date with LGfL services and policies;
- Has daily back-up of school data (admin and curriculum);
- Uses secure, 'Cloud' storage for data back-up that conforms to DfE guidance;
- Storage of all data within the school will conform to the EU and UK data protection requirements; Storage of data online, will conform to the EU data protection directive where storage is hosted within the EU.

To ensure the network is used safely, this school:

- Ensures staff read and sign that they have understood the school's online safety Policy. Following this, they are set-up with Internet, email access and network access. Online access to service is through a unique, audited username and password. We also provide a different username and password for access to our school's network;
- All pupils in years 5 and 6 have their own unique username and password which gives them access to the Internet and other services. Pupils in years 1-4 have generis class logins;
- Makes clear that no one should log on as another user and makes clear that pupils should never be allowed to log-on or use teacher and staff logins;
- Has set-up the network with a shared work area for pupils and one for staff. Staff and pupils are shown how to save work and access work from these areas;

- Requires all users to log off when they have finished working or are leaving the computer unattended;
- Ensures all equipment owned by the school and/or connected to the network has up to date virus protection;
- Makes clear that staff are responsible for ensuring that any computer or laptop loaned to them by the school, is used primarily to support their professional responsibilities.
- Makes clear that staff accessing LA systems do so in accordance with any Corporate policies; e.g. Borough email or Intranet; finance system, Personnel system etc.
- Maintains equipment to ensure Health and Safety is followed;
- Ensures that access to the school's network resources from remote locations by staff is audited and restricted and access is only through school/LA approved systems:
- Does not allow any outside Agencies to access our network remotely except where there is a clear professional need and then access is audited restricted and is only through approved systems;
- Has a clear disaster recovery system in place that includes a secure, remote off site back up of data;
- This school uses secure data transfer; this includes DfE secure S2S website for all CTF files sent to other schools;
- Ensures that all pupil level data or personal data sent over the Internet is encrypted or only sent within the approved secure system in our LA or through USO secure file exchange (USO FX);
- Our wireless network has been secured to industry standard Enterprise security level /appropriate standards suitable for educational use;
- All IT and communications systems installed professionally and regularly reviewed to ensure they meet health and safety standards;

Password policy

- This school makes it clear that staff and pupils must always keep their passwords private, must not share with others; if a password is compromised the school should be notified immediately.
- All staff have their own unique username and private passwords to access school systems. Staff are responsible for keeping their password(s) private.
- We require staff to use STRONG passwords.

- We require staff to change their passwords into the MIS, LGfL USO admin site, every 90 days
- We require staff using critical systems to use two factor authentication.

E-mail

This school

- Provides staff with an email account for their professional use, London Staffmail/LA email and makes clear personal email should be through a separate account;
- We use anonymous or group e-mail addresses, for example info@schoolname.la.sch.uk/head@schoolname.la.sch.uk/or class e-mail addresses.
- Will contact the Police if one of our staff or pupils receives an e-mail that we consider is particularly disturbing or breaks the law.
- Will ensure that email accounts are maintained and up to date
- We use a number of LGfL-provided technologies to help protect users and systems in the school, including desktop anti-virus product Sophos, plus direct email filtering for viruses.

Pupils:

- We use LGfL pupil email system which are intentionally 'anonymised' for pupil protection.
- Pupils are taught about the online safety and 'netiquette' of using e-mail both in school and at home.

Staff:

- Staff can only use the LA or LGfL e mail systems on the school system. Access in school to external personal e mail accounts may be blocked
- Staff will use LA or LGfL e-mail systems for professional purposes
- Never use email to transfer staff or pupil personal data. 'Protect-level' data should never be transferred by email. If there is no secure file transfer solution available for the situation, then the data / file must be protected with security encryption.

School website

- The Headteacher, supported by the Governing body, takes overall responsibility to ensure that the website content is accurate and the quality of presentation is maintained;

- The school web site complies with statutory DFE requirements;
- Most material is the school's own work; where other's work is published or linked to, we credit the sources used and state clearly the author's identity or status;
- Photographs published on the web do not have full names attached. We do not use pupils' names when saving images in the file names or in the tags when publishing to the school website;

Cloud Environments

- Uploading of information on the schools' online learning space is shared between different staff members according to their responsibilities e.g. all class teachers upload information in their class areas;
- Photographs and videos uploaded to the school's online environment will only be accessible by members of the school community;
- In school, pupils are only able to upload and publish within school approved 'Cloud' systems.

Social networking

Staff, Volunteers and Contractors

- Staff are instructed to always keep professional and private communication separate.
- Teachers are instructed not to run social network spaces for student use on a personal basis or to open up their own spaces to their students, but to use the schools' preferred system for such communications.
- The use of any school approved social networking will adhere to school's communications policy.

School staff will ensure that in private use:

- No reference should be made in social media to students/pupils, parents/carers or school staff;
- School staff should not be online friends with any pupil/student. Any exceptions must be approved by the Headteacher.
- They do not engage in online discussion on personal matters relating to members of the school community;
- Personal opinions should not be attributed to the school /academy or local authority and personal opinions must not compromise the professional role of the staff member, nor bring the school into disrepute;
- Security settings on personal social media profiles are regularly checked to minimise risk of loss of personal information.

Pupils:

- Are taught about social networking, acceptable behaviours and how to report misuse, intimidation or abuse through our online safety curriculum work.
- Students are required to sign and follow our [age appropriate] pupil Acceptable Use Agreement.

Parents:

- Parents are reminded about social networking risks and protocols through our parental Acceptable Use Agreement and additional communications materials when required.
- Are reminded that they may not upload photographs taken at school events.

CCTV

- We have CCTV in the school as part of our site surveillance for staff and student safety. The use of CCTV is clearly signposted in the school. We will not reveal any recordings without appropriate permission.
- We use specialist lesson recording equipment on occasions as a tool to share best teaching practice. We do not reveal any such recordings outside of the staff and will not use for any other purposes.

5. Data security: Management Information System access and Data transfer

Strategic and operational practices

At this school:

- The Headteacher is the Senior Information Risk Officer (SIRO).
- Staff are clear who are the key contact(s) for key school information (the Information Asset Owners) are. We have listed the information and information asset owners.
- We ensure staff know who to report any incidents where data protection may have been compromised.
- All staff are DBS checked and records are held in a single central record

Technical Solutions

- Staff have secure area(s) on the network to store sensitive files.
- We require staff to log-out of systems when leaving their computer, but also enforce lock-out after 15 minutes idle time.
- We use the LGfL USO AutoUpdate, for creation of online user accounts for access to broadband services and the LGfL content.
- All servers are in lockable locations and managed by DBS-checked staff.
- Details of all school-owned hardware will be recorded in a hardware inventory.
- Details of all school-owned software will be recorded in a software inventory.
- Disposal of any equipment will conform to The Waste Electrical and Electronic Equipment Regulations 2006 and/or The Waste Electrical and Electronic Equipment (Amendment) Regulations 2007. Further information can be found on the Environment Agency website.
- Where any protected or restricted data has been held we get a certificate of secure deletion for any server that once contained personal data.
- We are using secure file deletion software.

6. Equipment and Digital Content

Mobile Devices (Mobile phones, tablets and other mobile devices)

- Mobile devices brought into school are entirely at the staff member, students & parents or visitors own risk. The School accepts no responsibility for the loss, theft or damage of any phone or hand held device brought into school.
- No students should bring his or her mobile phone or personally-owned device into school without the permission of the Headteacher. Any device brought into school will be confiscated and given back to parents at the end of the day.
- The Bluetooth or similar function of a mobile device should be switched off at all times and not be used to send images or files to other mobile devices.
- No images or videos should be taken on personal mobile devices.
- Staff members may use their phones only during school break times in child free areas only. They should be switched off or silent at all times. If a staff member is expecting a personal call they may leave their phone with the school office to answer on their behalf, or seek specific permissions to use their phone at a time other than their break times.
- All visitors, including parents, are requested to keep their phones switched off or on silent at all times within the school grounds.
- The recording, taking and sharing of images, video and audio on any personal mobile device is to be avoided, except where it has been explicitly agreed by the Headteacher. Such authorised use is to be recorded. The school authorises the taking of images by parents/carers during school performances, provided that no images are uploaded to any social media. All mobile device use is to be open to monitoring scrutiny and the Headteacher is able to withdraw or restrict authorisation for use at any time, if it is deemed necessary.
- The School reserves the right to search the content of any mobile devices on the school premises where there is a reasonable suspicion that it may contain illegal or undesirable material, including pornography, violence or bullying. Staff mobiles devices may be searched at any time as part of routine monitoring.
- If a student needs to contact his or her parents or carers, they will be allowed to use a school phone. Parents are advised not to contact their child via their mobile phone during the school day, but to contact the school office.

Storage, Synching and Access

If the device is accessed with a school owned account

- The device has a school created account and all apps and file use is in line with this policy. No personal elements may be added to this device.
- PIN access to the device must always be known by the network manager.

Students' use of personal devices

- The School strongly advises that student mobile phones and devices should not be brought into school.
- However, the School accepts that there may be particular circumstances in which a parent wishes their child to have a mobile phone for their own safety. This has to be agreed by the Headteacher.
- If a student breaches the school policy, then the device will be confiscated and will be held in a secure place in the school office. Mobile devices will be released to parents or carers in accordance with the school policy.
- Students should protect their phone numbers by only giving them to trusted friends and family members. Students will be instructed in safe and appropriate use of mobile phones and personally-owned devices and will be made aware of boundaries and consequences.

Staff use of personal devices

- Staff are not permitted to use their own mobile phones or devices in a professional capacity, such as for contacting children, young people or their families within or outside of the setting.
- Staff will be issued with a school phone where contact with students, parents or carers is required, for instance for off-site activities.
- Mobile Phones and personally-owned devices will be switched off or switched to 'silent' mode. Bluetooth communication should be 'hidden' or switched off and mobile phones or personally-owned devices will not be used during teaching periods unless permission has been granted by a member of the senior leadership team in emergency circumstances.
- If members of staff have an educational reason to allow children to use mobile phones or a personally-owned device as part of an educational activity, then it will only take place when approved by the senior leadership team.
- Staff should not use personally-owned devices, such as mobile phones or cameras, to take photos or videos of students and will only use work-provided equipment for this purpose.

- In an emergency where a staff member doesn't have access to a school-owned device, they should use their own device and hide (by inputting 141) their own mobile number for confidentiality purposes and then report the incident to the Headteacher / Designated Officer.
- If a member of staff breaches the school policy then disciplinary action may be taken.

Digital images and video

In this school:

- We gain parental/carer permission for use of digital photographs or video involving their child as part of the school agreement form when their daughter/son joins the school.
- We do not identify pupils in online photographic materials or include the full names of pupils in the credits of any published school produced video materials/DVDs;
- Staff sign the school's Acceptable Use Policy and this includes a clause on the use of mobile phones/personal equipment for taking pictures of pupils;
- The school blocks/filter access to social networking sites unless there is a specific approved educational purpose;
- Pupils are taught about how images can be manipulated in their online safety education programme and also taught to consider how to publish for a wide range of audiences which might include governors, parents or younger children as part of their computing scheme of work;
- Pupils are advised to be very careful about placing any personal photos on any 'social' online network space. They are taught to understand the need to maintain privacy settings so as not to make public, personal information.
- Pupils are taught that they should not post images or videos of others without their permission. We teach them about the risks associated with providing information with images (including the name of the file), that reveals the identity of others and their location. We teach them about the need to keep their data secure and what to do if they are subject to bullying or abuse.

Appendix 1

	Marner Primary School	
	Policy review Date	**January 2017**
	Date of next Review	**January 2019**
	Reviewed By	**School Governing Body**

Acceptable Use Policy: All Staff, Volunteers and Governors

Covers use of all digital technologies in school: i.e. email, Internet, intranet, network resources, learning platform, software, communication tools, equipment and systems.

- I will only use the school's digital technology resources and systems for Professional purposes or for uses deemed 'reasonable' by the Head and Governing Body.
- I will not reveal my password(s) to anyone.
- I will follow 'good practice' advice in the creation and use of my password. If my password is compromised, I will ensure I change it. I will not use anyone else's password if they reveal it to me and will advise them to change it.
- I will not allow unauthorised individuals to access email / Internet / intranet / network, or other school systems, or any Local Authority (LA) system I have access to.
- I will not engage in any online activity that may compromise my professional responsibilities.
- I will only use the approved email system(s) for any school business.
  This is currently: LGfL StaffMail
- I will only use the approved email (LGfL StaffMail*),* Learning Platform (Fronter) or other school approved communication systems with pupils or parents/carers, and only communicate with them on appropriate school business.
- I will not browse, download or send material that is considered offensive or of an extremist nature by the school.
- I will report any accidental access to, or receipt of inappropriate materials, or filtering breach or equipment failure to the Online Safety Officer (Ruth Whitfield).
- I will not download any software or resources from the Internet that can compromise the network or might allow me to bypass the filtering and security system or are not adequately licensed.
- I will check copyright and not publish or distribute any work including images, music and videos, that is protected by copyright without seeking the author's permission.
- I will not connect any device (including USB flash drive), to the network that does not have up-to-date anti-virus software, and I will keep any 'loaned'

equipment up-to-date, using the school's recommended anti-virus and other ICT 'defence' systems.

- I will not use personal digital cameras or camera phones or digital devices for taking, editing and transferring images or videos of pupils or staff and will not store any such images or videos at home.
- I will follow the school's policy on use of mobile phones / devices at school and only use in staff areas.
- I will only use school approved equipment for any storage, editing or transfer of digital images / videos and ensure I only save photographs and videos of children and staff on the appropriate system or staff-only drive within school.
- I will use the school's Learning Platform in accordance with school protocols.
- I will ensure that any private social networking sites / blogs etc that I create or actively contribute to are not confused with my professional role.
- I will ensure, where used, I know how to use any social networking sites / tools securely, so as not to compromise my professional role.
- I agree and accept that any computer or laptop loaned to me by the school, is provided solely to support my professional responsibilities and that I will notify the school of any "significant personal use" as defined by HM Revenue & Customs.
- I will only access school resources remotely (such as from home) using the LGfL system and follow online-security protocols to interact with them.
- I will ensure any confidential data that I wish to transport from one location to another is protected by encryption and that I follow school data security protocols when using any such data at any location.
- I understand that data protection policy requires that any information seen by me with regard to staff or pupil information, held within the school's information management system, will be kept private and confidential, EXCEPT when it is deemed necessary that I am required by law to disclose such information to an appropriate authority.
- I will alert child protection officer / appropriate senior member of staff if I feel the behaviour of any child may be a cause for concern.
- I understand it is my duty to support a whole-school safeguarding approach and will report any behaviour of other staff or pupils, which I believe may be inappropriate or concerning in any way, to *senior member of staff* / *designated Child Protection lead*.
- I understand that all Internet and network traffic / usage can be logged and this information can be made available *to the Head* / *Safeguarding Lead* on their request.
- I understand that Internet encrypted content (via the https protocol), may be scanned for security and/or safeguarding purposes.
- *Staff that have a teaching role only:* I will embed the school's on-line safety / digital literacy / counter extremism curriculum into my teaching.

Acceptable Use Policy (AUP): Agreement Form

All Staff, Volunteers, Governors

I agree to abide by all the points in the AUP.

I understand that I have a responsibility for my own and others online-safeguarding and I undertake to be a 'safe and responsible digital technologies user'.

I understand that it is my responsibility to ensure that I remain up-to-date and read and understand the school's most recent Online Safety policies.

I understand that failure to comply with this agreement could lead to disciplinary action.

KS2 Pupil Acceptable Use Agreement

These rules will keep me safe and help me to be fair to others.

- I will only use the school's computers for schoolwork and homework.
- I will only edit or delete my own files and not look at, or change, other people's files without their permission.
- I will keep my logins and passwords secret.
- I will not bring files into school without permission or upload inappropriate material to my workspace.
- I am aware that some websites and social networks have age restrictions and I should respect this.
- I will not attempt to visit Internet sites that I know to be banned by the school.
- I will only e-mail people I know, or a responsible adult has approved.
- The messages I send, or information I upload, will always be polite and sensible.
- I will not open an attachment, or download a file, unless I know and trust the person who has sent it.
- I will not give my home address, phone number, send a photograph or video, or give any other personal information that could be used to identify me, my family or my friends. I will never arrange to meet someone I have only ever previously met on the Internet.
- If I see anything I am unhappy with or I receive a message I do not like, I will not respond to it but I will show a teacher/responsible adult.

I have read and understand these rules and agree to them.

Marner Primary School

Online Safety and Acceptable Use Agreement: Parents

Internet and ICT: As the parent or legal guardian of the pupil(s) named below, I grant permission for the school to give my *daughter / son* access to:

- the Internet at school
- the school's chosen email system
- the school's online managed learning environment
- ICT facilities and equipment at the school.

I accept that ultimately the school cannot be held responsible for the nature and content of materials accessed through the Internet and mobile technologies, but I understand that the school takes every reasonable precaution to keep pupils safe and to prevent pupils from accessing inappropriate materials.

I understand that the school can, if necessary, check my child's computer files and the Internet sites they visit at school and if there are concerns about my child's e-safety or e-behaviour they will contact me.

Use of digital images, photography and video: I understand the school has a clear policy on "The use of digital images and video" and I support this.

I will not take and then share online, photographs of other children (or staff) at school events.

Social networking and media sites: I understand that the school has a clear policy on "The use of social networking and media sites" and I support this.

I understand that the school takes any inappropriate behaviour seriously and will respond to observed or reported inappropriate or unsafe behaviour.

I will support the school by promoting safe use of the Internet and digital technology at home. I will inform the school if I have any concerns.

This permission document will cover all of your child's time at Marner School
If you wish to amend your permission in future please inform the school in writing.

Marner School
Photograph & video recording permission form

The use of digital images and video

To comply with the Data Protection Act 1998, we need your permission before we can photograph or make recordings of your daughter / son.

We follow the following rules for any external use of digital images:

If the pupil is named, we avoid using their photograph.

If their photograph is used, we avoid naming the pupil.

- Where showcasing examples of pupils work we only use their first names, rather than their full names.
- If showcasing digital video work to an external audience, we take care to ensure that pupils aren't referred to by name on the video, and that pupils' full names aren't given in credits at the end of the film.
- Only images of pupils in suitable dress are used.
- Any images will only be for school use, if third parties request photographs or videos we will request separate permission from you.

This permission document will cover all of your child's time at Marner School
If you wish to amend your permission in future please inform the school in writing.

I give permission for my child to be photographed and/or videoed at school, individually or within a group, and for these images to be used on school displays, on the school website and on school promotional documents in line with school policy.

If a member of staff commits an exceptionally serious act of gross misconduct The member of staff should be instantly suspended. Normally though, there will be an investigation before disciplinary action is taken for any alleged offence. As part of that the member of staff will be asked to explain their actions and these will be considered before any disciplinary action is taken. Schools are likely to involve external support agencies as part of these investigations e.g. an ICT technical support service to investigate equipment and data evidence, the Local Authority Human Resources team.
Child abuse images found

In the case of Child abuse images being found, the member of staff should be **immediately suspended** and the Police should be called.

Anyone may report any inappropriate or potentially illegal activity or abuse with or towards a child online to the Child Exploitation and Online Protection (CEOP):

http://www.ceop.gov.uk/reporting_abuse.html

http://www.iwf.org.uk

How will staff and students be informed of these procedures?

- They will be fully explained and included within the school's Online-Safety / Acceptable Use Policy. All staff will be required to sign the school's online-safety acceptable use agreement form;
- Pupils will be taught about responsible and acceptable use and given strategies to deal with incidents so they can develop 'safe behaviours'. Pupils will sign an age appropriate online-safety / acceptable use agreement form;
- The school's online-safety policy will be made available and explained to parents, and parents will sign an acceptance form when their child starts at the school.
- Information on reporting abuse / bullying etc. will be made available by the school for pupils, staff and parents.
- Staff are issued with the 'What to do if?' guide on online-safety issues.
